Fruitland.

Health good in this vicinity. Busy times with the farmers is about over.

The district conference held here the 1st, 2nd and 3rd was well attended, and some excellent sermons were delivered. Twenty ministers were present. All departed for their homes, except Bro. Sweetland, who is conducting a series of meetings here. Everybody seems to think Bro. Sweetland is an excellent preacher. We hope the people of this place will give him their assistance, as we need a reform among our young friends who will stand up before anyone, regardless of feeling, age or anything else, and just "cuss by note."

Some of us are trying to establish a school here, and the prospects are good so far. Yet we have some strong opposition by some who are the most able to contribute. But "no" will not help one cent. And yet common sense ought to teach us that a good school would even raise their property value probably from ten to twenty per cent. All good causes have opposition, and so we will do the best we can.

Our public school started the 30th, under the management of Miss Mamie Browning, whom we know as a good teacher.

R. A. Noland and C. L. Davis are doing some carpenter work in Jackson this week.

James Masterson, who has been sick for some time, is able to be out again.

William Wessell left Sunday afternoon for St. Louis to select his winter goods.

The day before the Home-Coming a little Miss arrived at the home of Mr. and Mrs. Elmer Davis.

There is to be an ice cream supper at E. S. Templeton's on the 7th, for the benefit of the school at this place.

Wishing The Herald success, will ring off.

Scribbler.

(Additional). We are having a good rain.

During the session of district conference here, the people hitched up rigs and took twenty of the preachers over to McKendree Chapel. While there, Pat Williams made a picture of them grouped around the pulpit. This was a treat. This old church belongs to this district now, and it is the oldest west of the Mississippi river.

Rev. L. H. Sweetland of Doe Run is doing some good preaching here. Come and hear him.

Stock Show Premiums.

The stock show at the Home-Coming was a success. It is a good feature, and we hope the farmers will have that feature each year. It may be well not to have a public sale, but if they have a show and get the premiums and arrange to keep the stock here during Home-Coming, they can arrange to sell many animals privately.

The following are the premiums awarded this year:

Harness and saddle stallion: 1st, Bud Koehler; 2nd, A. J. McGhee.

Mare or gelding 1st, Clarence Pender; 2nd, Frank Smith; 3rd, John Smith.

The conference of the Farmington district was held at Fruitland last Saturday.

Fruitland High School has opened and has a good outlook for this year.

The Cape Fair will be held this year October 5 to 9. It promises to be the best ever held there.

One of the main attractions at the Fair this time will be the trotting ostrich, the largest and fastest trotter in the world. This bird will make two races each day.

Some of the patrons of Jackson Route 3 are not satisfied with the mail service. They would like to get their St. Louis mail on the same day it reaches Jackson, and they are anxious to know if any such arrangement can be made.

If you want money at low rate of interest and long time, see Cape County Abstract Co.

Stock Show.

The Cape Girardeau County Stock Breeders' Show and Sale Association held their first annual show and sale on the first day of the Home-Coming Reunion. Their stock show was a decided success. They had plenty of the best stock of all kinds, and in good show shape, and their stock judge gave general satisfaction. Of course, there were some kickers, but we couldn't give first premium to everybody. Their sale was a sacrifice, considering the quality of the stock that was sold. But as the Association was organized to promote the breeding and using of high-grade and pure-bred stock in the county, it was a success in a certain way, as a lot of pure-bred boars and pure-bred rams were scattered over the county that otherwise would have been shipped out of the county altogether. And the two Shorthorn bulls consigned by P. J. Parkins of Fredericktown were bought by men in this county and are bound to grade up the cattle in the neighborhood of their new homes.

Of Interest to School Patrons.

The Board of Education of Jackson at a recent meeting adopted the following:

"Beginners will be admitted to the Primary Department during the first two weeks of each term of eighteen weeks only, and the Superintendent may require satisfactory proof of the age of those applying for admission."

If you have a child that will become of school age within the first term and wish to enter it during that term, you had better make arrangements to enter it now. The advantages of the above ruling are at once apparent, and will be enforced.

School opened with a total enrollment of 319, and an enrollment of 65 in the High School.

Parents are cordially invited to visit the school frequently.

Respectfully,
J. H. GOODIN, Supt.

Farmington Fair.

The First Annual Fair of the Southeast Missouri Fair Association will be held in Farmington October 12 to 16. The organization is made up of enterprising stockmen of Southeast Missouri.

It is not the purpose of the Association to hold simply a county fair, but it is desired to make it a district fair in every sense of the word.

The Association owns about 30 acres of land beautifully situated a quarter of a mile from the city limits of Farmington. This land has been improved for Fair purposes by the erection of an amphitheater and barns, and by making what is claimed to be the best race track in Southeast Missouri.

Nearly twenty-five hundred dollars is offered in premiums and purses. The running, pacing and trotting races will be a special feature of the Fair, nearly fifteen hundred dollars being offered as racing purses. Premiums have been offered in the departments as follows: Show horses, cattle, hogs, sheep, poultry, mules, jacks and jennets, farm products, domestic products and many other miscellaneous and specials.

Farmington is one of the best towns in this district, and her citizens invite one and all to come and attend the Fair in October.

The Fair people promise that hotel and lodging house rates will be fixed in a satisfactory manner, and that everybody will get a square deal in every particular.

Any information that may be desired will be cheerfully furnished by the secretary, R. M. Talbert, Farmington, Missouri.
